

## WINNER 4T API SL SAE 20W50

### Product Description

MIRR T-CROSS 4T is a multi-grade synthetic four stroke motor cycle engine oils engineered to provide a seamless engine response right till the next oil drain interval. They are formulated using the latest synthetic oil technology, from virgin base oil fortified with innovative additive packages, for active and better engine response in variable driving conditions.

### Applications

- Latest Generation four stroke air and liquid cooled motor cycle engine oil
- Motorcycles with or without immersed clutches
- High performance Japanese motorcycles/Four stroke scooters
- Provides optimum performance in continuous multi-altitude, dusty and stormy driving conditions

### Features and Benefits

1. Responsive engine performance throughout variable driving conditions
2. Maintains grade for maximum Oil change interval
3. Smoother & quieter drive
4. Effective as sludge removal and active engine cleansing
5. Low oil volatility resulting in less frequent top up and lower oil consumption

### Specifications & Approvals:

API: SL/CF, ACEA: A1/B1,A5/B5, ILSAC: GF-4

### Typical Properties:

WINNER 4T	TEST METHODS	20W50
Physical appearance	Visual	Bright & Clear
Kinematic Visc.@100°C, Cst	ASTM D445	18.4
Viscosity Index	ASTM D2270	130
Flash Point °C	ASTM D92	234
Pour Point °C	ASTM D97	-24
CCS cp	ASTM D5293	@-15,8480
Total base Number, mgKOH/g	ASTM D2896	7.14

**Note:** Typical Values Batch wise variation may occur, please consult with WINNER LUBRICANTS representatives for current TDS

**Health and Safety** Based on available information, this product is not expected to produce adverse effects on health when used for the intended application and the recommendations provided in the Material Safety Data Sheet (MSDS) are followed. MSDS's are available upon request through your sales contract office, or via the Internet. This product should not be used for purposes other than its intended use. If disposing of used product, take care to protect the environment
